# Key Benefits

## Accept All Payment Types

- Give citizens more ways to pay, including: cards, ACH, cash and Apple Pay and Google Pay
- Accept payments across a wide range of channels, such as SMS, email, in-person and IVR
- Give citizens the power to make bill payments quickly and easily with PayNearMe's modern, user-friendly platform

## Move Cash Payments Offsite

- Enable cash payments at over 27,000 nationwide retail locations, including participating 7-Eleven and CVS Pharmacy stores, many of which operate 24 hours a day
- Remove the need for citizens to drive to their local offices and pay onsite
- Free up customer service staff to focus on the most pressing citizen issues

## Encourage Citizens to Self-Service

- Send personalized payment links via text, email, mobile wallet or a QR code on your print or electronic bill. No need for citizens to log in, download an app or remember an account number
- Reduce PCI compliance scope by removing the need for citizens to relay payment information to employees over the phone
- Reduce inbound calls and walk-in payments with self-service tools including IVR, pay by text, easy autopay setup, payment reminders and more
