

PayNearMe for Auto Lending

Collect more on-time payments with PayNearMe, the easy-to-use platform that allows your customers to pay how, when and where they choose.

PayNearMe gives auto lenders the easiest, most reliable way to get paid – every time. With PayNearMe, give your customers more options to pay, including debit, ACH and mobile-first payment types. Customers can also pay with cash at thousands of participating retail locations, such as 7-Eleven and CVS.

Key Benefits

Experience the PayNearMe Difference

Works on Every Device

- Customers can pay bills with ease on mobile, desktop or tablet devices

Communications in Spanish & English

- Reach more customers and increase engagement

Reduce Inbound Calls by up to 70%

- Quick and easy payment experience in a few clicks

Eliminate In-Person Cash Payments

- Offer cash payment options at retail stores including CVS and 7-Eleven

Reduce Reconciliation to Minutes Per Day

- Daily automated reporting and workflows

Faster Payments With Smart Link™

- Let customers pay in less than two clicks, no login or apps required

PayNearMe is incredibly easy to work with. Our integration process was smooth, and offering remote payments transformed our business and lowered operating costs. We've also streamlined payment reconciliation to minutes each day and added bill payment options customers love, like cash in-store.

RAY KNAPP, JR.

Chief Operating Officer, Director of Finance and Business Development
