Key Benefits

Improve Player Experience

- Improve player engagement, retention and conversion with a mobile interface that makes on-time deposits and payouts easy
- Give players more deposit choices, including: cash, cards, ACH, cash and Apple Pay and Google Pay for a seamless, frictionless experience
- Use PayNearMe Smart Link™ technology to send personalized deposit links via text, email or mobile wallet—making it easy for players to deposit funds in as little as two clicks

Accelerate Time To Market

- Reduce the complexities of launching in new states with one platform and one integration for deposits, payouts, messaging and more
- Get up to speed quickly with a licensed money transmitter across all legal states
- Partner with an industry leader with proven success in addressing complex iGaming payment challenges and delivering innovative solutions

Easily Accept Cash

- Enable cash deposits at over 26,000 nationwide retail locations, including participating 7-Eleven and Family Dollar stores
- Increase player anonymity and give players in-person deposit options
- Receive cash as guaranteed funds, with no risk of chargebacks
